Dear President,

On behalf of the Carr Mara Golf Trust and it's member clubs, we thank the Olympic Club, it's members, you Mr. President, Frank Clifford, Team Captain, Cindy Passanisi, Chris Stein, your board of directors and all of your staff and employees, for your gracious and elegant hosting of the Carr Mara Golf Tournament.

The attention to detail of your people made more impressive the extraordinary effort and hospitality of the Olympic Club. The Ocean and Lakeside courses were magnificent, the entertainment superb and your gracious hospitality second to none. The service staff, Chris Stein and his staff, caddies, half way hamburger huts and countless individual efforts that made an event a success were performed at the highest level. The Stars and Stripes and the Tri Colour Flags on both finishing holes were awesome on the day that was in it.

We believe that the members of the Irish Clubs who attended the event are telling all of the beauty, difficulty and challenge of your great Links and the gracious hospitality of your members, staff and employees.

Again, we thank you for hosting the 2013 Carr Mara Golf Tournament and look forward to seeing you at Royal Portrush Golf Club in 2015.

Yours sincerely,

---
