Dear Simon,

Thank you for your letter of 19th September and your very kind words therein.

- The event was a wonderful occasion and the Olympic Club were superb in their gracious and elegant hosting of the Carr Mara Golf Tournament. Their attention to detail was outstanding and made our working with them extremely simple and friendly.

I have no doubt that in 2015 in your great club such a relationship will happen again and I look forward to working with Wilma and to support her in every way possible.

Best wishes

Joe McAleese
