16th September 2015

On behalf of the Carr Mara Golf Trust and its member clubs, we thank Royal Portrush Golf Club, you Mr. Captain, Wilma Erskine, your committee, your members and all of your staff for your gracious and elegant hosting of the Carr Mara Golf Tournament.

The attention to detail of your people made more impressive the extraordinary effort and hospitality of Royal Portrush Golf Club. Dunluce and Valley courses were magnificent, the entertainment superb and your gracious hospitality second to none. The service staff, caddies, half way hamburger huts and countless individual efforts that made an event a success were performed at the highest level.

We believe that the members of the American Clubs who attended the event are telling all of the beauty, difficulty and challenge of your great Links and the gracious hospitality of your members, staff and employees.

Again, we thank you for hosting the 2015 Carr Mara Golf Tournament and look forward to seeing you at Oakmont Country Club in 2017.
